How far away should your bank be?
That's easy.
As far as ours.

Maybe you choose a bank because it's nearer your job or home. But we've got a feeling that distance wouldn't mean a thing once you discovered what our bank has to offer.

You can reach us quickly from almost any direction. And probably faster than you can get to where you're banking now.

And when you get where we are, you'll find lots of easy parking, ready access to inside banking via our new red brick safety walks.

Or, if you like the ease of drive-up banking or the privacy of doing your banking business fast with an automatic teller, we have those, too.

But most important, we feel, is our competent and courteous banking professionals who are ready to treat you like the important person you are.

C'mon over, now, to our bank.

TREE IDENTIFICATION

This Saturday morning, there will be a tree identification walk at the Museum Outdoors. After the long winter, this is a good chance for nature lovers to renew their forgotten wood lore. Visitors will be shown how to use a simple key to identify any of our native trees.

This walk will take place at the Museum Outdoors, 100 Old Westport Road, in North Dartmouth on Saturday morning, May 28th, at 10:00. All interested adults as well as children accompanied by an adult are welcome. Admission is free.

SHELL CRAFT

This Saturday afternoon, children are invited to participate in a shell craft program at the Children's Museum. This is a good chance for the children to learn what to do with all those shells that they will collect at the beach this summer. All necessary materials will be supplied by the Museum; however, children may bring their own shells if they wish to. Shell craft will begin on Saturday afternoon, May 28th, at 2:00 at the Children's Museum in Russells Mills. A small admission is charged non-members and it is free for members. To register, please call 636-4688.

would be charged $4.00 each. The County reimbursement is $2.00 per dog daily or, if the owner claims the dog, the charge is $2.00 per day by law. Euthanasia and cremation, if necessary, cost $7.00 but Mr. McKenna said that every effort is made to have unclaimed animals adopted. The Selectmen agreed that the town would need only one kennel at this time.

The Selectmen reserved a decision on the matter since they are also considering another kennel proposition.

Town Clerk Lois Ennis has announced that this is the final week to obtain dog tags before the warrants are delivered to the dog officer.

TOWN BEACH TO OPEN

The Mattapoisett Town Beach will open for the season on Saturday, June 25th, for the 10-week, 3-day summer season. Beach Director Albert Boucher met with Selectmen to discuss appointments for personnel at the beach. Replacement of the swings will be explored because Mr. Boucher noted that the present swings are badly worn.

NEW ELECTRIC SERVICE OK'D

Selectmen sent a letter to Fred Brownell, d/b/a Brownell Boat Yard, to give permission for him to install an electric service to his boat slip on Short Wharf. Selectmen said that the installation is alright providing that it conforms to the code and that once installed belongs to the Town of Mattapoisett. They extended their thanks for the many services that Brownell's has performed for the town.

SUGGEST TOWN LANDING USE

Selectman John DeCosta suggested the use of the town landing as a possible boat landing area in order to relieve the congestion on the wharf. Selectman Hubbard agreed that this would be a most worthwhile project. Selectmer will investigate to determine what people are available for the possible clearing of the site so that it could be utilized to take some of the boat traffic off the wharf.

Polly and Lisa are the first two girls in this area Council to earn this type of award and are eager to help any other Girl Scouts in learning more about this religious study program. Activities are aimed at discovering and strengthening the relationship between Christian faith and life. The Girl Scout project is similar to that used by the Boy Scouts and has three areas of achievement: "God and Family" for ages 9 and 10; "God and Church" for the 11 through 14 year olds; and "God and Life" for older participants.

Polly Field is the daughter of Mr. and Mrs. William Field, Mattapoisett Neck, and is interested in sports, Girl Scouts, Church School and plays flute with the Old Hammondtown Band. Lisa Covill is the daughter of Mr. and Mrs. Raymond Covill of Holly Woods. She is interested in sports, skiing, piano, chorus, reading, Girl Scouts, and Church School.

A REVIEW BY ADELINE CARTER

"THE LARK" is one of the Best!--Over the past six years The Gateway Players have given the area some memorable theater experiences and now again with Jean Anouilh's story of Joan of Arc as adapted by Lillian Hellman they've come up with an exquisite and delicately beautiful spiritual production.

many faces and intricacies of the Maid of Orleans who hears saints' voices and becomes the military and spiritual leader of fifteenth century France. To play Joan is an actress's dream and Ms. Jones meets the challenge head on, giving a truly memorable performance.

Chris Gaucher is both pathetic and humorous as the Dauphin, Charles. Larry Bennett makes a flamboyant Earl of Warwick, the Englishman who learns to love "The Lark". Kevin Michael Feeley is perfection as the wizardly Bishop Cauchon. Daniel P. O'Connell, Jr. gives the best performance of his career as the Inquisitor who condemns Joan.

Excellent ensemble support is supplied by Tom Gillmore as the country politician de Beaudricourt, and Michael McNamara as the onion eating military Captain LaHire. Dorothy Taylor, Jan Boynton, Mary Briggs, Helen Maloney, Glenn Leonard and Barry Smith portray cameo roles with uniform style and skill. Donna Conrad is dynamic as the honest Sister Ladvenu.

Direction of this difficult piece by George W. Hayden is top notch as are the costumes by Ruth and representational set by Mr. Feeley. The insights into sainthood and the soul of woman make "The Lark" a very contemporary play. Don't let this production fly away without the attention it deserves. It is one of the best: a rare and literate gem being reproduced again next Thursday through Saturday at Wareham Town Hall Auditorium. Shouts of praise to all concerned.

P.T.C. NEWS

The final meeting for the Parent-Teachers' Club for 1976-77 will take place tomorrow night, May 26th, at Old Hammondtown School at 7:30.

We are pleased to have invited Dr. James Riley to speak on this occasion. His topic will be "Strategies of Reward and Punishment". As you know, Dr. Riley spoke at an earlier function, our Wine & Chees Tasting evening and due to the success of this night we asked him to do a follow-up presentation. He has graciously agreed and we look forward to this occasion.

We will begin at 7:30 with the election of new officers for the following year, and a brief business meeting. This will be followed by our speaker and refreshments.

As this is an important meeting to all of us who have worked on this year's P.T.C. board it is also a nice opportunity to close the year and welcome in the new officers.

We hope many of you will be able to join us as we look for your continued support on May 26th, at 7:30 P.M. at Old Hammondtown School.

tance. Peter Foster of the Lions Club was the prime mover behind the idea.

Many stretches of town roads were covered, and an incredible number of full trash bags were delivered to the sanitary landfill. Volunteers covered all or a large part of Brandt Island Road and Brandt Beach Road, Neck Island Road and Brant Beach Road, Neck Road, Acushnet Road, Long Plain Road, Crystal Spring Road, North Street, Aucoot Road, and the Holly Woods area.

Hot dogs and soda were provided free after the clean-up at Ned's Point, using the Lions Club's food van.

The enormous volume of trash collected suggests that the Town would benefit from making the clean-up day an annual event, perhaps covering more areas of the town. The Lions Club would be happy to hear from anyone with ideas on implementing this idea. In the meantime, we greatly appreciate the efforts of those who made this year's event a success.

LETTER TO THE EDITOR

It is shocking to read such unAmerican beliefs as those expressed by Peter T. Leonard of Marion in his letter to the editor of May 11. "...The Government has no choice but to raise the price of energy to force conservation, as the majority of the people can't be trusted...to conserve energy themselves."

What kind of brain washing brings one to believe that "Government" knows best? When were the public servants of this government ordained the moral, or crowned the economic masters of us all? Isn't it bad enough that "Government", stampeded by a vociferous minority of short-sighted fanatics, legislated and regulated us into 20% greater gasoline consumption with anti-pollution contraptions, a run on low sulphur fuels, years of delay in the Alaska pipeline, less production from old wells, less activity to bring in new wells, and a widespread hysterical blocking of atomic and other types of power plants? Is it Mr. Carter's and Mr. Leonard's wish to wreck the most productive system man ever enjoyed by smothering it with new regulations to "solve" the ills created by its last batch?

It is my belief that we need to dismantle about eighty percent of this monster before

A LETTER OF THANKS

To the Mattapoisett Fire Department, go our deep and heartfelt thanks for the quickness and sureness with which they acted on May 7 when most of our home and possessions went up in smoke and flames. They were tremendous. They were there in minutes of calling in the alarm. They never faltered and went right about their business. But they still had time and compassion enough to stop and reassure us. We have a great Fire Department here. Once again, our sincerest thanks to all of you firemen.

We'd also like to thank the Police Department who took charge so competently and also were a great help. Thank you.

And last but not least to all our neighbors and friends who worked side by side with the firemen carrying out furnishings and such, and after remained to help us put what we could back. To all of you I mentioned and those I forgot we extend our sincerest thank you.

Grange Reception

OPEN HOUSE

Approximately 56 attended the Mattapoisett Grange Open House Sunday, including guests, members, entertainers and visitors -- although it was a day to tempt the sun-seekers.

Master Dennis Sylvia opened the meeting with the salute to the flag, followed by a prayer. He then welcomed all and recognized Mrs. Hilda Rogers, representing the State Grange, and Mr. William Elliot, the Educational chairman of the Massachusetts State Grange.

The program opened with "Bless This House", sung by the Wanderers.

Ms. Diane Perry organized a Community Maypole Dance which was presented next. All participants wore costumes and were marvelous: Mrs. Donald Welch of the Congregational Church Women's Guild, Mrs. Diana Viollette of the Parent-Teachers' Club, Mrs. Frank O'Neill of the Mattapoisett Woman's Club, Mrs. Charles Smith of the League of Women Voters, Mrs. Gerry DeCosta, a member of the American Legion Auxiliary; Mr. John DeCosta, Selectman and member of the American Legion; and Mr. William Hubbard, Se-

lectman and a member of the Grange. Before Russia gave May Day a new meaning, Maypole Dances and Maybaskets were a very enjoyable part of our culture.

The Wanderers sang two more selections: "My Lord What a Morning" and "This Is My Country".

The speaker for the afternoon was Mr. William Elliot. He gave a brief resume of the Grange of the past, its concerns in the present, and its direction for the future. He also presented 50-year pins to Mrs. Mildred LeBaron, Mr. Chester Dexter and Mr. Dennis Sylvia. Mrs. Mae Delano, who was not present, will also receive a pin, and Mr. Ernest Dexter, who already has a 50-year pin, will receive his 60-year certificate.

Mrs. Elizabeth Field was in charge of refreshments which were enjoyed by all in the hall and outside at the "plant stand" where Mrs. Tripp of the Bloomin' Porch exhibited some interesting hanging plants, flats of annuals, and tubbed tomatoes for patio gardening.

A SUGGESTED ANIMAL REPELLENT
